Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The responses to Items 3, 4 and 5 of this Schedule 13D are incorporated herein by reference.

ValueAct Master Fund entered into the Master Confirmation and the Forward Transactions in accordance with the trade details set forth in Item 5 (c) hereto.

Pursuant to each Forward Transaction, ValueAct Master Fund will be obligated either to (i) purchase from the Counterparty, on the Settlement Date of August 9, 2018 with respect to 4,859,200 of the Forward Transactions and February 12, 2020 with respect to 15,165,268 of the Forward Transactions (or earlier if such Forward Transaction is terminated early in accordance with its terms), the Number of Forward Shares with respect to such Forward Transaction (or the applicable portion thereof to which any such early termination applies) at a price equal to the Forward Price, as set forth in Item 5 (c) hereto ("Physical Settlement"), or (ii) pay to the Counterparty the product of (x) the Number of Forward Shares multiplied by (y) the Forward Price minus the volume-weighted average price per share for on August 9, 2018 and February 12, 2020 (or earlier if such Forward Transaction is terminated early in accordance with its terms), if such amount is positive, or receive from the Counterparty the absolute value of such amount if such amount is negative ("Cash Settlement").

A financing charge will be added to the amount, if any, owing by ValueAct Master Fund to the Counterparty pursuant to Cash Settlement or Physical Settlement or subtracted from the amount, if any, owing by the Counterparty to ValueAct Master Fund pursuant to Cash Settlement, and an amount equal to the value of any dividends paid in respect of the Number of Forward Shares for which the record date occurs during the term of the applicable Forward Transaction will be subtracted from the amount, if any, owing by ValueAct Master Fund to the Counterparty pursuant to Cash Settlement or Physical Settlement or added to the amount, if any, owing by the Counterparty to ValueAct Master Fund pursuant to Cash Settlement.

Under the terms of the Master Confirmation, ValueAct Master Fund shall have the option to elect Physical Settlement or Cash Settlement for the Forward Transactions, but Physical Settlement, which is the default settlement method, shall only be available if the receipt of such shares by ValueAct Master Fund would not violate the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Condition"). If, on the Settlement Date, the HSR Condition is not satisfied and ValueAct Master Fund has not elected Cash Settlement, the Settlement Date automatically will be postponed until the HSR Condition is satisfied.

ValueAct Master Fund has the right to elect early termination of the Forward Transactions, in whole or in part, at any time in accordance with the Master Confirmation, and the Counterparty has the right to elect early termination of the Forward Transactions, in whole or in part, upon prior written notice to ValueAct Master Fund.

The Forward Transactions do not give the Reporting Persons direct or indirect voting, investment or dispositive control over any securities of the Issuer and do not require the Counterparty to acquire, hold, vote or dispose of any securities of the Issuer. Accordingly, the Reporting Persons disclaim any beneficial ownership of any shares of Common Stock that may be referenced in such contracts and of any shares of Common Stock or other securities or financial instruments that may be held from time to time by the Counterparty.

The Reporting Persons may, from time to time, enter into and dispose of swaps, options or other derivative transactions with one or more counterparties that are based upon the value of shares of the Common Stock, which transactions may be significant in amount. The profit, loss and/or return on such contracts may be wholly or partially dependent on the market value of the shares of the Common Stock.

Other than as described in this Report and as previously reported, the Reporting Persons have no understandings, arrangements, relationships or contracts relating to the Issuer's Common Stock which are required to be described hereunder.
